Discovery

The Discovery annuity is a single premium, tax-deferred, multi-year guarantee annuity (MYGA).

A Safe Investment

Western United Life Insurance Company (Western United Life), as a legal reserve life insurance company, is legally required to maintain reserves equal to the surrender value of your Discovery Plus annuity contract at all times. Insurance laws require levels of capital and surplus that provide an even greater margin of safety. Both premium and interest are 100% guaranteed by Western United Life Insurance Company.

No Sales Charges or Fees

There are no set-up fees or administrative expenses deducted from your single premium to purchase a Discovery annuity. Interest begins to accrue as soon as your premium is received by the Home Office.

Tax Deferred Growth

Interest earned on your Discovery annuity grows on a tax-deferred basis. You do not pay tax on the interest until you withdraw it. As a result, your premium and interest goes to work for you immediately.

Guarantee Period

You may choose a guarantee period of 5, 6, or 7-years for your Discovery annuity. We will declare an interest rate that is guaranteed for the initial guarantee period you've chosen. At the beginning of each contract year thereafter, we will declare a new interest rate to be guaranteed for that contract year. The guaranteed minimum interest rate will never be less than 1.00%.

Distribution Options

Your Discovery annuity can be set up for regular periodic distributions, such as monthly interest. Withdrawals may be made on a monthly, quarterly, semi-annual, or annual basis as Electronic Fund Transfer (EFT).

Tax Qualifications

Your annuity may be set up using non-qualified or qualified premiums including, Traditional IRA, Roth IRA, SEP IRA, and Simple IRA.

Issue Ages

Your Discovery annuity can be issued for Annuitant ages 0-84.

Minimum Single Premium

The minimum single premium amount that can be applied to your Discovery annuity is \$10,000. The maximum is \$1,000,000, without prior approval from the Company before an application is submitted.

Almost half of Americans report that outliving their savings is their greatest retirement concern.¹ Funding retirement remains one of the biggest economic and social challenges facing the world in the 21st century.²

Surrender Charges

You may take a withdrawal or surrender your Discovery annuity at any time before the settlement date. Withdrawals and surrenders in excess of the penalty-free amount are subject to a surrender charge applicable for the contract year of the surrender.

Surrender Charge Period	Percent per Contract Year							
5 Years	8%	7%	6%	5%	4%	0%	0%	0%
6 Years	8%	7%	6%	5%	4%	3%	0%	0%
7 Years	8%	7%	6%	5%	4%	3%	2%	0%

Penalty-Free Amount Available

The Penalty-Free Amount of your Discovery annuity is up to 15% of the Annuity Value per calendar year. This amount is available beginning in the first contract year.

Death Benefits

There are no surrender charges if the Annuitant dies before payments begin. Your beneficiary has access to the full annuity value as a single sum or as one of 6 other settlement options.

Because this death benefit avoids probate, it can ease inter-generational wealth transfers and reduce fees and delays associated with the probate process. Please refer to the Death Benefits section of your Discovery Annuity Contract for full details.
